
CT Stone's Guidelines for Showroom Appointments

We are so excited to welcome you to our showroom for an in-person appointment. Safety is our #1 priority during your visit. Prior to your arrival, we want to share with you our current guidelines for visiting the showroom during the pandemic.

Guidelines

1. Showroom appointments are limited to a maximum of 2 shopping groups at one time.
2. Decision-makers only, please. We ask that non-essential companions stay home at this time.
3. Current Connecticut guidelines state that gatherings (or shopping groups) are limited to a maximum of 5 people. To ensure compliance, please limit your shopping group to 4 people as our salesperson makes 5!
4. Upon arrival, please call our main number, 203-882-1000. We will greet you outside and escort you into the building.
5. Masks or face coverings must be worn while on our property.
6. We ask that you use hand sanitizer for a fresh start.
7. Practice "Social Distancing" by maintaining 6 feet from our associates.
8. Allow us to help! Our team will be happy to move materials about our showroom and handle all samples. This helps us to know what needs to be cleaned.
9. Please use our designated customer bathroom. We make sure it is disinfected daily.

Before you come!

We know that your project is important, but we ask that you think carefully before coming in for a visit. We are able to accommodate virtual appointments if any of the following apply:

1. Have you been exposed to a COVID-19 positive case in the past 14 days?
 2. Are you or anyone that you have been in contact with exhibiting symptoms of COVID-19?
 3. Are you well today?
